

F.A.O. ALL PRE-SENIOR AND SENIOR SQUAD MEMBERS

Thursday 2nd March 2017

Dear Members,

It has recently become clear that we are unable to maintain the current demands on our coaching volunteers. As a result, the Club's Committee has now taken the difficult decision to cancel our booking at The Heights on Thursday evenings as of the 10th March 2017 – our last session will therefore be Thursday 9th March 2017.

We are currently enjoying additional pool time on a Sunday evening in a combined session with West Wight Swimming Club and look to continue that relationship moving forward. We are also exploring other ways that we can offer our members the option of increased pool time and hope to make an announcement shortly.

As part of our commitment to expanding our volunteer base we are currently seeking expressions of interest for persons to undertake a Level 1 Coaching course at Waterside Pool. If you are interested in undertaking the course and would like to volunteer for the Club, or have further questions, please in the first instance contact Julie Van der Helstraete, Club Secretary at clubsecretary@seacloresc.co.uk

Regards,

Ben Gard
Chairman
For Committee of Seaclose Swimming Club
